

Privacy Policy

RefugeeOne respects the privacy of every visitor to our website. Protecting your private information is our priority. This statement of Privacy applies to the www.refugeeone.org and RefugeeOne and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to RefugeeOne include www.refugeeone.org and RefugeeOne. The RefugeeOne website is an information and news site. By visiting the RefugeeOne website, you consent to the data practices described in this Policy.

Collection of your Personal Information

Through our website, we offer convenient online access to information and communicate with you about important opportunities and events. We will not collect personal information from you when you visit our website unless you provide the information to us voluntarily and knowingly.

Information about your computer hardware and software may be automatically collected by RefugeeOne. This information can include: your IP address, browser type, domain names, access times and referring website address. This information is used for the operation of the service to maintain quality of service and to provide general statistics of the RefugeeOne website.

RefugeeOne is not responsible for the privacy statements other content on websites outside of the RefugeeOne website.

Use of your Personal Information

RefugeeOne collects and uses your personal information to operate its website and deliver services you have requested.

RefugeeOne may also use your information to inform you of other products or services available from RefugeeOne.

RefugeeOne does not sell, rent, lease or distribute lists to third parties.

RefugeeOne may share data with trusted partners to send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to RefugeeOne, and they are required to maintain the confidentiality of your information.

RefugeeOne may keep track of the websites and pages our users visit within RefugeeOne, in order to determine what RefugeeOne services are most popular. This data is used to deliver customized content and advertising within RefugeeOne to customers whose behavior indicates that they are interested in a particular subject area.
