

Summer Youth Program Intern

RefugeeOne seeks interns to assist with the Summer Youth Program. The RefugeeOne Summer Youth Program serves refugee youth, ages 4 - 17, from all over the world. Children come to the youth center four days per week and participate in a wide variety of enrichment and extra-curricular activities, such as arts and crafts, athletics, music, dance, and drama.

Interns will be responsible for planning activities and then supervising and leading children in a variety of activities and settings. We are looking for college students (must be 18 years of age) who are energetic, hard-working, and responsible, and who have experience working with children.

We are continually monitoring COVID cases in our area, and precautions will be taken as necessary to keep staff, interns, and participants safe. Proof of COVID vaccination required.

Applicants will only be considered if they can commit to working the entire summer.
